

# for the PARENTS

Due to the popularity of our After School Clubs, a new registration process will be used this year if the enrollment for a particular club exceeds the maximum number allowed. All registration forms for that club will be placed in a drawing. Registration forms will be randomly drawn until the maximum number of students is reached.

Students whose registration forms were not drawn for the club's first session will be the first students registered for the club if it is offered during the next session if they want to participate.

We encourage you to identify your child's first, second and third choice on the registration form. Our desire is that every student will get his/her first choice, but we recognize that this may not be possible. We believe this system will be fair to everyone. Thank you for your support of the After School Clubs program.

After School Clubs begin at 3:30 p.m. and end at 4:30 p.m.

Children will be supervised in the Education Building from the end of school until clubs start at 3:30 p.m.

We ask that you pick your children up promptly at 4:30 p.m. at the Christ Church School pavilion. Please park in the Christ Church grass lot.

Children attending Afternoon Adventures at 4:30 p.m. will be escorted to the Church by their club leader.

**Note:** A \$10 late fee will be charged for every 10 minutes you are late.

Students may not purchase snacks from the vending machines. If you would like your child to have a snack, please provide them with one.

Please use a separate registration form for each club your child is planning to attend. Additional forms are available in the school office.

There is a maximum attendance of 20 students and a minimum of five students for each club. Please return the registration form, along with the medical authorization form and payment, to the school office at your earliest convenience.

The school office closes at 4:30 p.m. on club days. In case of emergency, the church office is open until 5:00 p.m. and may be reached by calling 954.771.7300.

## PURPOSE:

The After School Clubs were created, not only because of the teachers' strong desire to work with children, but also to nurture our students' God-given gifts in new and exciting areas.
